Combining practical design, unique style and eye-catching colour accents, Cosh Living's striking new Mood collection leads the new wave of outdoor furniture. The natural look of the range features weather-resistant and environmentally-friendly yarn, fitted on a rich teak frame – and don't forget to accessorise with some Australian-made Cosh Living cushions in a variety of fabrics, colours and sizes.

Delivering Australia wide, Senkki is the latest furniture company to make its mark on Australian design. Inspired by the contemporary lines of Mid Century Danish design, Senkki's pieces are ideal for customers looking for unique, bespoke pieces for their home.

Do your gifts justice by wrapping them in something fabulous! Crumpled's new collection of bold wrapping paper designs feature everything from abstract prints to geometric shapes. The paper uses 100 per cent recycled stock and vegetable-based inks, \$8.80 (two sheets).

The coffee experts at Nespresso have done it again with the fantastic Maestria range. Featuring a sleek steam pipe with optimised air intake technology for the perfect milk froth, the Maestria and Gran Maestria models are inspired by the craft of the barista and deliver premium espresso for the discerning coffee connoisseur every time. Nespresso Gran Maestria in aluminium, \$899.

Add some colour and pizzazz to your dinner parties with Marguerite Doré glassware. Made from high-quality glass, the exciting plate and platter designs are available in a variety of shapes, sizes and colours.

We love the vibrant Daring range in moss green, from \$580.
